

## Dear Club President

### Invitation to Submit Applications for Community Mediation Skills Training

We are ARCoM, please click [here](#) to find out more about District Governor D9400 Annemarie Mostert and your fellow Rotarians' invitation to your club.

ARCoM plans to select thirty Rotarian and seventy non-Rotarian candidates for training. With some thirty Rotary applications already received, we are extending the process to all Clubs calling on them to help ARCoM identify and recruit suitable candidates to receive this valuable and internationally recognised training.

We are looking for Rotarians and community leaders from your area and need you to invite them to apply to us.

Before you invite anyone to apply, please check the criteria and, drawing on your club members' network, identify suitable candidates.

If you have a good candidate or several, please complete the letter of invitation and send it to your candidates, copying in the email address below.

Thank you for your commitment to Rotary and its peace-building initiative. Please send any questions you may have to [arcom@rotaryzone22.org](mailto:arcom@rotaryzone22.org)
